

INTRODUCING OUR BRAND NEW

VIRTUAL EVENT LAB

Our in-house Virtual Event Lab, can be customized to meet any design. This versatile space is great for live streaming closed meetings, product showcases, TV & commercials, live performances, or brand-activations. We offer enterprise solutions that can even be controlled remotely by one of our engineers off-site.

FULL SERVICE AV PRODUCTION HOUSE CUSTOMIZABLE DESIGN

Our Virtual Event Lab is located in our headquarters providing us access to our full arsenal of audio, video, lighting, and LED gear in order to create a unique design that embodies your brand and captivates viewers

NO HASSLE CLIENT DRIVEN SOLUTIONS

We are an extension of your staff and our team is here to handle all of the logistics from design to showtime allowing you to focus your time on other items such as the message or performance

UNMATCHED EXPERIENCE ELITE GEAR & SUPPORT

Our production managers have 194 years of combined experience in creating amazing events for clients. We have the gear and the know how to ensure your virtual event is first class from start to finish

GO VIRTUAL THE ELITE WAY

Live stream viewership is skyrocketing and we are here help you capitalize on this opportunity by providing you all of the tools to broadcast your vision to your target audience when you need it.
